The NERLSCD meeting has emerged as one of the best annual regional gatherings for core facility directors and administrators to network with colleagues; learn about biotechnology advances and applications; to discuss the challenges faced in implementing shared research resources and to share stories of success.

Presentations Include:

- Discussion forums on operational issues in core labs.
- Technical workshops on genomics, proteomics, imaging, and other technologies.
- Core facility poster sessions offering an opportunity to learn about regional life sciences shared resources and services.

Information and Demographics from the 2017 Meeting:

- 180 Total Attendees
- 49 Institutions Represented from 11 States and 2 Canadian Provinces
- 36 Corporate Sponsors
- 8 Academic Sponsors

To sponsor the meeting or if you have any questions please contact: sponsorship@nerlscd.org
